

IMPROVING HEALTH OUTCOMES FOR PEOPLE WITH DIABETES IN EUROPE

The role of data,
access to
innovation and
integrated care

Did you know that
a person dies
from diabetes
every 6 seconds?*

21 November 2019 | 8:00 – 10:00

Breakfast event in the European Parliament,
Members Salon (ASP Floor 0), Rue Wiertz 60 - Brussels

CALL FOR
POLICY ACTION

Hosted by
MEP Christel SCHALDEMOSE

Supported by the European Federation of Pharmaceutical Industries and Associations

*World Health Organization, Diabetes fact sheet, Department of Sustainable Development and Healthy Environments, November 2014
