ABOUT THE EVENT

Last May, European citizens clearly voiced the need for liberal values and action across the European Union. With the grand coalition registering significant losses, voters are looking for a new balance of power and innovative ideas, which only our network of parties and allies can provide. 2020 will be a year of challenges and chances, in which Liberals will be able to develop new positions and take action side by side with their European partners, to counter threats to liberal freedom and values.

We are therefore delighted to start this New Year 2020 by inviting you cordially to join us in the capital of Europe.

*Please note that you will be forwarded to a Google Drive sheet.

Should you wish to register with us directly, please send an email to register.brussels@fnst.org.

Photographs will be taken at the event for use on the FNF website, social media, in the press, FNF marketing materials, and other publications. By entering this event, you consent to FNF photographing and using your image and likeness
